

Security Policies at Cross of Glory

It is our highest priority to keep your student(s) safe while at Cross of Glory.

Tornado:

Students will be moved to the lowest level at the church. Please do not attempt to pick your students up if there are sirens going off. Your students will be safe until the warning has passed. If you are in the building or in the parking lot, please join us in the basement.

Fire:

If the fire alarms go off, we will use one of the 6 exits to leave the building. Students will remain with their tutor and attendance will be taken.

Lockdown Related:

Threat outside the building – The South Door will be locked (all other doors remain locked during the school day), and students will remain in the building until an all clear is given. You will not be able to pick up your student during this time.

Threat inside the building - Tutors are trained on what to do, considering each situation is different. We will let parents know ahead of time if we have lockdown related drills over the course of the year.

All students are required to show their ID when entering the building. We also have cameras around the building to help us with security.
