

# CROWN COLLEGE

Called to Serve. Prepared to Lead.

## PSEO at Crown

Crown offers the Post-Secondary Enrollment Option (PSEO) to qualified students who are Minnesota residents. This program permits students to earn college credit, which may be applied to a degree program at Crown or transferred to another institution. Students from CHAT can take classes in a hybrid format in which they meet for an hour and a half face-to-face with a qualified course assistant selected by CHAT and approved by Crown. The rest

of the weekly activities for classes are online, led by one of Crown's online faculty members. This option gives students the opportunity to get support from a familiar homeschool course assistant while taking a high quality online course under the guidance of a credentialed faculty member from Crown. The courses have a low student to instructor ratio and are offered in a 15 week format. All PSEO students are supported by a dedicated PSEO academic advisor.
